

KITCHEN DUTY SCHEDULE

May – December 2015

Приготовление общей трапезы после Литургии является важной частью жизни Церкви и прихода. Собираясь вокруг общего стола после службы, мы следуем по стопам Апостолов и первых христиан, которые созидали церковную общину не только посредством Евхаристии, но и через участие в общей трапезе. Пожалуйста, не оставайтесь в стороне от этого важного церковного послушания и примите участие в приготовлении обедов! Чем больше будет у нас помощников, тем легче будет всем трудящимся, и тем крепче станет наша христианская семья. Да благословит Господь всех тех, кто трудится в нашем приходе на благо Его Святой Церкви.

Preparing meals for everyone to share after divine services is an essential duty in the church and in the community. Through getting together at the common table and sharing food, we unite with the holy Apostles, martyrs and early Christians, as they too built the Christian community through participating not only in divine worship and the Eucharist, but also in shared meals. Please support this very important obedience to the Church by helping those who prepare meals or by joining this effort and volunteering to cook. The more helpers we have, the easier it is for everyone and the more we will feel as one Christian family. May God bless all those who labor in our parish for the benefit of His Holy Church.
